

Future Fens Workshop

Explore the past, present and future of the Fenland ecosystem

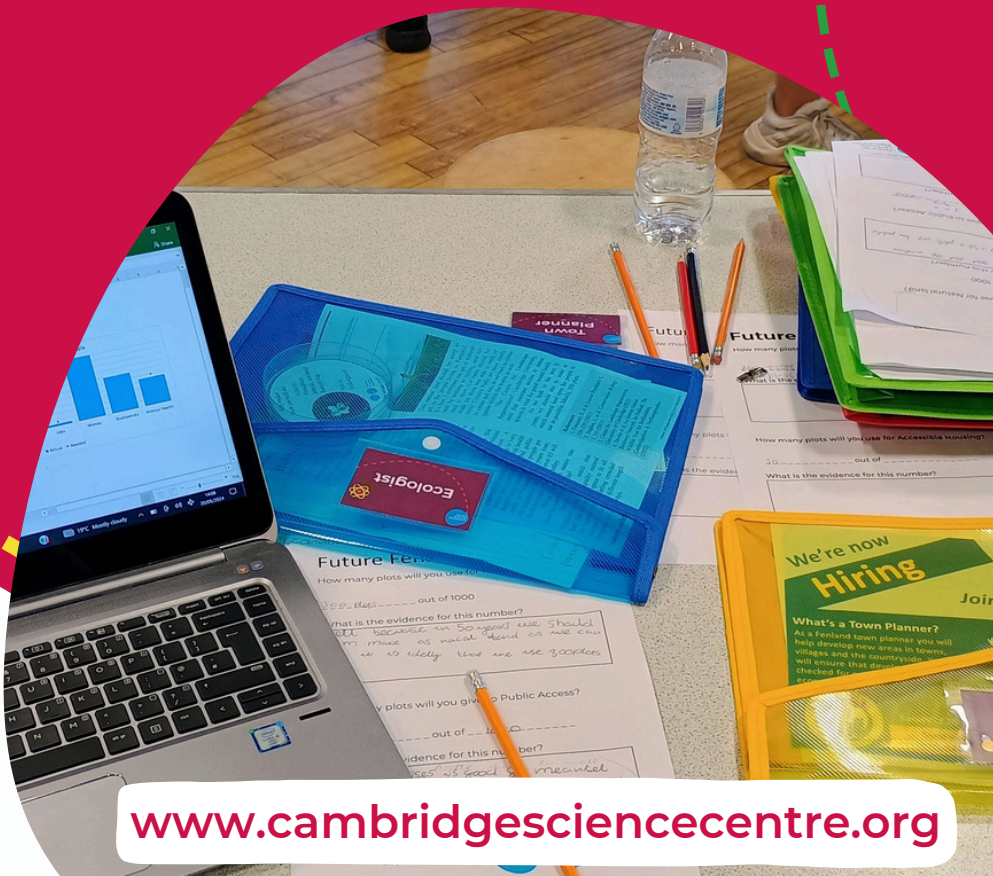

Students from Year 5 and Year 6 will

- take on pivotal roles in the Fenland community
- assess resources and gather data related to their roles
- collaborate with the other roles to negotiate a consensus decision for the future of the Fens
- model the group results and see how different decisions affect the results.

Students use their experiences, case studies and research to find STEM solutions to future changes in Fenland

Book a session at our
Wisbech Hub or at your school
