

CAMBRIDGE
SCIENCE
CENTRE

Get ready to explore...

Welcome

This is the Trinity Centre.
Cambridge Science Centre
is inside.

You walk past these
windows to get to the
entrance door.

Can you see anything
through the windows
you want to do?

When you get to this
door, you go through
this door and then
turn right.

Finding your way around

In front of you are the toilets.

To the right of you is the entrance to Cambridge Science Centre.

When you get to this door, you will see our entrance desk in front of you.

We are here to help you

Welcome

Someone will be at the desk to greet you.

This is where you show your tickets to get in. Please don't forget to book your tickets for every session you want to come along to.

If you need to borrow any sensory equipment, you can ask the person at the desk for a sensory bag.

Please don't forget to return it at the end of your visit.

Finding your way around

There is a cloak room on the right.

You can leave your coat or bag here, if you want to.

On your left are two studio spaces that you might want to go into.

Our rooms

Studio space 1 is the green room and it is used as a classroom.

Studio space 2 is the purple room and it is used as a classroom.

If you need some quiet space on your visit you can rest in one of these spaces if it is not being used. Just ask a member of staff to help you.

Exploring the Science Centre

There are three main spaces in the centre for you to discover.
